## Main Description

Wire jewelry has never been more popular but you've never seen projects like this before! In Fine Art Wire Weaving, award-winning author Sarah Thompson shares her secrets to creating wire jewelry that's nothing short of spectacular. Using super-fine wires to create 20 delicate, sophisticated pieces, you'll achieve that "wow" factor, all under the guidance of an expert jewelry teacher. You'll learn how to work with these fine wires successfully, as well as what to do when one of your projects goes awry. Using techniques in layering, symmetry, and dimensional shaping, you'll come away with a strong foundation in wire working so you can create your own one-of-a-kind pieces. Paired with beautiful, 4-color photographs, Thompson gives you step-by-step instructions to creating jewelry to pretty to keep for yourself—but that you won't want to give away!

## Key Selling Points
