## Description

*101 Textures in Colored Pencil* provides an all-inclusive resource for drawing more than 100 common textures in coloured pencil. From people and nature to textiles and fabrics, no surface is left unturned in this step-by-step guide.

After a short overview of the supplies and basic drawing techniques needed to get started in this popular medium, the guide moves to demonstrating how to effectively create realism and dimension in coloured-pencil drawings with over 400 step-by-step images.

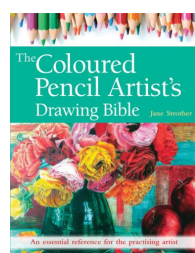

## Key Selling Points

- A perfect reference guide, *101 Textures in Colored Pencil* provides valuable guidance for any artist
- Provides artists with the fundamental skills necessary to achieve realistic results when rendering surfaces in colored pencil
- Great potential to be used in high school and college art classes.

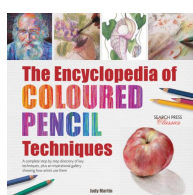

## About The Author

Denise Howard has earned regional, national and international awards for her coloured pencil drawings. She has been featured in Coloured Pencil Magazine and Ann Kullberg's COLOR magazine, has had work published in several books, and is a signature member of the Colored Pencil Society of America, the UK Coloured Pencil Society, and the Pencil Art Society.
