## Description

Aspiring and experienced artists alike will discover new, approachable concepts for creating and embellishing their own mixed media art with *101 More Mixed Media Techniques*. Following in the footsteps of *101 Mixed Media Techniques*, this companion edition explores even more versatile mixed media techniques, from printmaking, wabi-sabi painting, embossing, antiquing, and washi tape to paper collage, ephemera, pyrography, and resists. Each technique is presented with simple, easy-to-follow instructions and beautiful examples from talented mixed media artists. With more than a hundred options to choose from, *101 More Mixed Media Techniques* has something for every artist and is guaranteed to spark new forms of creativity!

## About the Author

Artist **Cherril Doty** is the Director of the Sawdust Art Festival's Studio Art Classes in Laguna Beach, California. While she holds a master's degree in counselling psychology, the need to create has called, and Cherril followed her muse to try new forms and search possibilities. Mixed media represents the culmination of the search and is the process by which to achieve still more through teaching and experimentation. Visit [www.cherrildoty.com](http://www.cherrildoty.com) to learn more.

**Heather Greenwood** is a self-taught mixed media artist who loves to be creative in everything she does. She is known for adding mixed media flair to her memory-keeping scrapbook albums, planners, DIY projects, and art journals. She teaches and inspires projects and techniques on her blog, [www.heathergreenwooddesigns.com](http://www.heathergreenwooddesigns.com).

**Monica Moody** is a Dallas-based artist. Known for her vibrant alcohol ink paintings, she also enjoys mixed media, illustration, relief printmaking, pyrography, and watercolour painting. Learn more at [www.monicamoody.com](http://www.monicamoody.com).

**Marsh Scott** is a multi-media artist from Dana Point, California. Embracing media of all kinds and in all sizes, from jewellery to large public art installations, Marsh especially loves to create art rich with texture, layers, and colour. Visit [www.marshscott.com](http://www.marshscott.com) to learn more.
