Description

Inking Florals is the ultimate guide to creating, dynamic, contemporary illustrations of popular botanicals in ink and watercolour.

Part of the popular *Illustration Studio* series from Walter Foster Publishing, this book shows artists of all skill levels how to create modern, vibrant floral and plant illustrations using pen and ink with watercolour washes on top. Focusing on 16 flowers, this easy-to-follow guide demonstrates each step-by-step project clearly, with detailed illustrations covering everything from the basic techniques to the finished piece of a fully illustrated bouquet.
