## Description

*Realistic Still Life in Colored Pencil* provides aspiring and established artists alike with comprehensive and easy-to follow instructions on how to draw photo-realistic portraits using coloured pencil. The book covers basic techniques, including hatching and crosshatching, shading, blending, layering, and burnishing, as well as more advanced techniques, such as using layers to build colour and depth, how to render textures like glass, fruit, and wood, and so much more.

Beautifully illustrated by award-winning artist Cynthia Knox, *Realistic Still Life in Colored Pencil* is your guide to learning the secrets to drawing realistic still life using the colourful and dynamic coloured pencil medium.
