Description

Year of Pot Holders 2 is not only a great collection of pot holders, it's also 52 eight-inch quilt blocks that can easily be used to create one-of-a-kind quilts. Also included are many alternate suggestions for unique and personalised pot holder finishes. This is the perfect book for any quilter looking to improve their quilting skills. Create one pot holder each week of the year and take the time to really pay attention to the assembly on a small scale. This will allow the quilter to really hone in seam allowances, maintaining points, and accurate piecing without the frustration of a large over powering project.
