## Description

If you're one of those busy quilters with very little spare time for quilting here's the solution. This book contains 9 gorgeous quilts you can make using 2 1/2" precut strips.

It's not always easy to find the time to select fabric, do the cutting and then actually sit down and stitch the pieces together and that's exactly why this book is so perfect. Each pattern was designed specifically with precuts in mind for the busy quilter.
