Publisher	Annie's
Classification	Patchwork & quilting: general
BIC CODE/S	WFBQ
SALES REGIONS	Worldwide excluding North America, Australia and New Zealand

Description

Fat quarters are the most popular and versatile pre-cut fabric. Folded up neatly at the store, they call to every quilter and ask to be brought home to your stash. Random fat quarters can be pulled together to make amazing "planned scrappy" quilts. A fat quarter bundle, on the other hand, is a great way to sample an entire line of fabric without waiting at the cutting counter. With more possibilities than other pre-cuts, it can be difficult to imagine a design and get stitching – but not for these talented designers! Whether it's a curated collection or random fat quarters you've been collecting, this book includes 12 creative designs you can turn to again and again.
