### About the Author

Jera Brandvig approaches quilting as a creative art form and loves to bend the rules. Jera has returned to biotech doing clinical research. However, quilting will always be her true passion as she still quilts and now designs fabric for Maywood Studios. She lives in a cozy home in the rainy city of Seattle, Washington, USA, with her two boys and husband. Visit her website [www.quiltingintherain.com](http://www.quiltingintherain.com).
