### About the Author

Rozen Martel lives in France and is a creative jack of all trades. This “addict polymerist” – avid for new techniques and new mediums of expression – discovered resin and its fabulous possibilities in 2013. Visit Rozen's YouTube channel for more information: [www.youtube.com/kerrozenn](http://www.youtube.com/kerrozenn).

Nadia Jullien fell into creative hobbies at a young age. Designer, 'beader', 'polymerist', and more; she practises with different techniques which she dissects and does not hesitate to mix.
