### Key Selling Points

- Learn how to manipulate paint on fabric and add weathering to your arsenal of costume effects
- Create special effects like metal, dirt, burns, blood, wear and tear, and rust, plus shading techniques, with detailed how-to instructions
- Enhance your tiny details and give your props and costumes more dimension than ever.

### Description

Elevate your costume-making skills to the next level!

Julianna Franchini, aka Marquise Cubey, veteran cosplayer and professional costume designer shares little-known painting, dyeing, and weathering techniques you can apply to fabric to get exactly the look you want, every time!

### About the Author

Julianna Franchini is based in Vancouver, Canada. Known by her online alias Marquise Cubey, she has a background in pattern drafting/costume production for television and theatre and has brought many of these skills to the cosplays that she makes and sells. Visit her website [www.marquiseubey.com](http://www.marquiseubey.com)
