Key Selling Points

- Discover the three different types of panels (solo image, multiple image, and multi-frame) and how to work with each panel type
- Make fun and functional projects such as table runners, placemats and bags, discovering that the sky's the limit when it comes to using a panel for a sewing project
- Learn to use basic maths concepts to map out your design and use traditional quilt foundations, such as medallion quilts and row by row quilts.

Description

Turn panels into one-of-a-kind quilts! Learn the process of making a panel quilt and explore how to square up selections, work with challenging measurements, and use different types of settings.
