Key Selling Points

- Flexible, durable, non-woven sheets last longer and are more accurate than paper patterns
- Use the sheets for quilt block construction or to stabilize fabric for machine embroidery
- Easy to see through for tracing, and the sheets can be ironed on a low setting.

Description

Print perfectly accurate patterns directly from your inkjet printer with convenient 8.5" x 11" non-woven sheets. Draw or trace directly on the sheets to create your own designs.

About the Author

Erin Hentzel first fell in love with sewing as a child, when she began making stuffed animals and doll clothes. Today, she runs sewing pattern company Avery Lane and teaches sewing classes near her home in Oregon. For more information visit www.averylanesewing.com
