### Description

*Star Wars: The Mandalorian Crochet* shows you how to create 12 characters from the hit series in the Japanese amigurumi style.

Whether you're crocheting these projects for yourself or to give as gifts, you'll find hours of enjoyment in this kit created with approval from Lucasfilm. Included are a paperback book complete with photos and step-by-step instructions, as well as the materials needed to make the Mandalorian, Grogu™, and his floating pram: ten colours of yarn, two safety eyes, a steel crochet hook, a tapestry needle, embroidery floss, and stuffing. When you're done, you can tuck baby Grogu™ into his pram for a well-earned nap! Additional project instructions show you how to crochet Ahsoka Tano, IG-11, Moff Gideon, and other favourites from the show.
