Description

This easy, exciting guide is a must-have for creating beautiful macramé home accessories made even more fun and functional with mixed fibre techniques. Learn to take a new spin on the popular craft of modern macramé with Chantel Conlon's inspired mixed fibre designs which are anything but ordinary. Mixing fibres adds another layer of texture and visual interest to this already stunning craft and Chantel will teach you everything from the most basic knots and techniques to macraweaving and working with various trendy fibres including ribbon, raffia and bamboo. You'll be shocked at just how simple it is to create incredible macramé pieces no one else has seen before.

Get ready to leave store-bought hangings behind because with a just a few kinds of knots and weaving techniques, even total beginners can learn to create their own handmade plant hangers, baskets, wall art and more. Full of beautiful projects, this book will transform your home with rustic boho style with a fresh modern twist.
