Key Selling Points

- Taps into enormous surge in popularity/interest in graphic novels over the past 5 years
- 10 diverse artists in a range of styles
- Multiple overlapping audiences: visual journalers, aspiring graphic novelists, kids who want to tell stories.

Description

A guided sketchbook with templates for telling stories like a graphic novelist, with tips and tricks from ten comic artists.

This guided journal is both template and mini-course in graphic storytelling. The notebook includes 160 pages of comic templates and is filled with exercises and insider tips from ten established comic artists. With differing styles and backgrounds, the artists offer illuminating and insightful ideas to expand anyone's drawing and storytelling skills. The book includes funny & engaging exercises for how to convey emotion, time, and perspective through drawing, sequencing and storytelling.
