### Description

*Sustainable Gifting* brings back the art of crafting packages with love and care. Author Michelle Mackintosh is on a mission to encourage people to reconnect with each other with thoughtful, creative and sustainable gifts.

Showcasing Michelle's beautiful aesthetic, *Sustainable Gifting* contains ideas for environmentally conscious gifts like plants, baked goods, beautiful journals and clever tote bags. This thoughtful guide to gifting also features hand-made and recycled packaging ideas, featuring delightful labels, string ties, wrapping paper, cards, origami boxes and reused containers.

With projects that are easy to achieve, complete with step-by-step instructions and templates, *Sustainable Gifting* will inspire everyone to think sustainably about creating gifts with love.

### About the Author

Michelle Mackintosh is an Australian book designer and illustrator with a passion for mixing up the discarded with the new – collaging vintage, cute and modern aesthetics into something unique.

She has designed dozens of books on a wide range of topics, from cookbooks and craft, to city guides and diaries. She has illustrated six books written by her husband Steve Wide, and has worked on books for a diverse range of authors.
