## Description

Brandish your crochet hook and create even more of your favourite Star Wars characters! This starter kit includes everything you need to make BB-8 and a Jawa, plus tutorials for ten more characters. Your collection can soon include Obi-Wan Kenobi, Lando Calrissian, Rey, Finn, and many other favourites from a galaxy far, far away. The kit includes a crochet hook, all the yarn you need to make the droid BB-8 and an alien Jawa, stuffing, eyes, and a tapestry needle, as well as a book that guides you step-by-step through each of the projects with easy instructions and clear photos so that even crochet novices can learn.

## Key Selling Points

- With full step-by-step instructions for 12 characters, this kit is perfect for both novice and master crocheter alike
- Star Wars is incredibly popular with the next film, *Star Wars: The Last Jedi*, to be released in a cinema near you in December 2017. This pack includes characters from the new films
- Strong sales of the previous *Star Wars Crochet Pack*

## About The Author

Lucy Collin has combined her passion for designing creatures and characters with her love of science fiction and fantasy. She has published patterns in magazines such as *Inside Crochet* and *Crochet Gifts*, and created the patterns for the book *Hollywood Crochet*. Lucy lives in West Sussex, England.
