UPC	693508009608

Main Description

This beautiful book guides the reader through Wendy's inventive style of work: from piecing and patching fabrics and creating textures to painting and embellishing with hand and machine stitching. This book contains a wealth of inspiration for any textile artist, showing them how to create gorgeous, textured pieces of art and then, in the final chapter, offering inspiration for how to transform these pieces into three-dimensional items such as cushion covers, notebooks, 3-d vessels, and even a wedding dress, which Wendy made for her daughter. The book contains six beautiful step-by-step projects, broken down into three chapters: Architecture, Landscapes and Flowers, and at the end of each section there is an inspiring gallery of Wendy's work.

Key Selling Points

- Renowned textile artist Wendy Dolan shares her techniques, ideas and inspirations
- Six gorgeous projects to create along with galleries of Wendy's beautiful work to enjoy
- Offers exciting inspiration, encouraging readers to explore, create and develop their own designs

Author

Wendy has worked as a professional textile artist, tutor and lecturer both in the UK and abroad. She offers a wide range of courses, specialising in Freehand Machine Embroidery and related textile techniques and teaches regularly at West Dean College Sussex, Denman College Oxfordshire and in Murcia Spain for Castanea Craft Holidays. She is a Fellow of the Society of Designer Craftsmen, a member of the Embroiderers Guild and her work is held in private collections worldwide.
