## Description

Teddy bears are an iconic symbol of childhood. They are often our first and best-loved toys right through to adulthood, often passed on to our own children to enjoy. This beautifully illustrated, comprehensive guide takes you into the magical world of teddy bear making and shows you how to create your own traditional bear to hand down through the generations. The book begins with a short history of the teddy bear, followed by detailed information on tools, materials and essential bear-making techniques. There's detailed guidance on how to create different eyes, ears, noses and mouths to give your bear a unique personality, and sewn outfits to dress them in. The book ends with notes on care and repair, ensuring your treasured creation will last a lifetime.

## Key Selling Points

- Learn how to create a bear to pass down through your family
- Personalise your bear with different expressions and features
- Well known author with a worldwide following
- Provides 3 step-by-step projects accompanied by full size templates

## About The Author

Sue has been designing and making teddy bears and other animals since childhood. After moving to Scotland she developed her range and sold to small shops in the area. She named the business Dormouse Designs, as one of her first creatures was a small felt mouse called Timothy. Her collectable bears are now so sought-after that Sue's work can be found in teddy bear museums in Britain, Japan and collections worldwide. Sue lives in Kilbarchan, Scotland.
