About the Author

After leaving school, Louise Firchau studied art and design, art history, illustration and typography, and enjoyed card making, glass painting and sketching. In 2000 she was inspired to start paper cutting, and in 2010 she started her own online company called Paper Panda, making typographical lyrical paper cuts from recycled paper. Since then Paper Panda has grown enormously and she now sells paper cuts and giftware in a range of distinctive styles. Louise has a huge following and has taught thousands of people to paper cut through online groups using her paper cutting starter kit, which she also sells from her on-line shop.
