Main Description

The latest title from sewing guru Debbie Shore has arrived – and it's her most fun yet! Packed with 20 colourful, inventive projects, it contains something for children of all ages. It contains a fold-away easel for a budding artist, a magnetic fishing game for an intrepid naturalist, and a colourful backpack for the young explorer. Why not make some spooky Halloween bunting to get ready for trick-or-treating, make a pirate cuddle pillow for a swashbuckling bedroom, or line up some funky monkey skittles for a game or two? The book contains all the guidance a beginner sewer will need – containing useful tools and techniques sections at the beginning, and plenty of tips throughout – while its fresh, exciting designs will also inspire experienced sewers.
