## Author

A member of the Society for Women Artists (SWA), international watercolourist Jean Haines is well-known for her love of her chosen medium. The magical free flow of water and colour straight on to a blank working surface (with no initial drawing) creates amazing results. Her paintings can be found in homes all over the world and in 2009 she won the Anthony J Lester Award during the SWA Annual Exhibition. She regularly writes for art magazines and exhibits in a number of galleries. Her hugely successful workshops are held regularly in the UK. In 2015 she will be visiting California, New York and St Louis in the USA to hold workshops and launch her new book 'Jean Haines' Watercolour World'.
