Main Description

'The feel of painting on the tablet screen is surprisingly similar to traditional painting, and if you use a brush stylus, it's even closer. In fact, I apply the same logic to my digital painting as I do to my acrylic and watercolour painting. Tablet art is addictive, you can produce a painting using no water, no paint and creating no mess – it's great.'

Matthew Palmer demystifies tablet painting so that you can create beautiful landscapes on your iOS or android tablet with no prior knowledge. Perfect for beginners and experienced artists, this book is a gateway into the exciting emerging world of digital painting. With a close look at the medium's advantages and unique techniques, along with information on how to use traditional painting skills, you will quickly find yourself immersed in enjoyable and rewarding artwork.
