## Description

Learn how to create bright and colourful knits using the intarsia method of colour knitting.

This clear and simple book is ideal for anyone who wants to learn the art of knitting with different coloured yarns. It guides you effortlessly through the process of choosing colours, preparing yarn bobbins and working out yarn quantities through to the basic intarsia techniques such as joining in new colours and working from charts. There's even guidance on making your own charts so you can create colourful designs of your own.

At the end of the book there is a mouth-watering collection of 11 gorgeous projects including a fox-themed cushion, an eye-catching chevron scarf and a show-stopping star blanket – all designed with the beginner in mind.

Whether you prefer vibrant, multi-coloured knits or more muted tones, this easy-to-follow book will teach you all you need to know to create contemporary colourwork.

## Key Selling Points

- Easy-to-follow beginner's guide to knitting intarsia by the design team at Quail Studio.
- Learn how to read the charts, understand colour and learn all the necessary techniques to create bright and colourful knits.
- 11 gorgeous projects included, from cushions and scarves through to sweaters and mittens.
- Quail Studio is known for working with big brand names like Vogue and Rowan to create beautiful, contemporary knitwear collections.

## About The Author

Quail Studio is a group of knitting, crochet and sewing designers, well known for their contemporary style and eye for trends. It is a family-owned company, and their shared love of handmade fashion and interior design coupled with their keen knowledge of the industry has resulted in a design team skilled in creating beautiful items for people who are passionate about crafting the world over.

The Studio's reputation for sleek, up-to-the-minute style has led to frequent collaborations with major craft publishers and big brand names, such as *Vogue* and *Rowan*, to produce stunning, modern patterns that capture their devotion to wearable, fashion-forward
