Description

This latest addition to the Transfer & Stitch series covers a huge range of designs of butterflies, bees and an assortment of bugs, to be embroidered onto clothing or home furnishings for a unique, quirky finish. Designs range from traditional, life-like insects to edgy modern steampunk designs. These intricate motifs can be rendered in pearlescent or metallic threads to give them a colourful, insect-like sheen. There are over fifty designs to choose from, starting from tiny ladybirds up to larger-scale grasshoppers, and each one comes with an iron-on transfer that can be applied directly to fabric.

Key Selling Points

- Over 50 designs to choose from, from semi-realistic to whimsical steampunk interpretations
- Easy-to-follow stitch guides and thread charts for the novice stitcher
- With 32 pages of transfers that can be ironed directly onto fabric

About The Author

Sally started her career in the textile industry back in the 1980s, firstly for Knitmaster UK then for Patons and Baldwins, which later became Coats Crafts UK. She then transferred to their threads department, where she worked extensively with a variety of crafts-based magazines and websites to provide editorial features and projects. During this time, she progressed to teaching and lecturing in Further and Higher Education establishments, based in the North East. Using her specialist knowledge and foreign language skills, Sally also provides translations and artwork for European crafts-based suppliers. Sally lives in Teesdale, County Durham, UK. www.stitcharena.com
