Description

This is the fantastic new book from highly respected quilter and author Carolyn Forster. It contains nine beautiful Layer Cake quilt designs, made using a variety of patchworking and quilting styles. Layer cakes (pre-cut 10-inch squares) are a fantastic quilting option – they build up a quilt very quickly and the fabrics all coordinate if they are bought as a set. Also included are nine accompanying 'gift' projects, which range from bags and pincushions to needlebooks and coasters. All the techniques needed are clearly explained at the beginning of the book with easy-to-follow step-by-step photography, and the instructions for putting together each quilt are illustrated for clarity. All the necessary templates are included. This is the companion book to Carolyn's *Sew Jelly Roll Quilts & Gifts*.
