Description

This book taps into the market for cute, easy knits with a vintage feel. Including knitting patterns for seven different cute animal toys – a rabbit, a kitten, a mouse, a puppy, a panda, a teddy and a monkey, each approx. 8 inches (20cm) high, all are easy and quick to knit. Each animal is accompanied by a mini knitted version of itself that is kept in the little shoulder bag or backpack that each toy carries. There are patterns for the outfits in which to dress the toys—most of them knitted and some sewn garments—all one size, and all designed to fit every animal, plus the bags and other accessories. The chapters are split into themes such as Out to Play, Picnic Time, Time for School, with clothes appropriate for each theme, including pyjamas, outdoor clothes, summer dresses, school uniform and so on, with added accessories. Readers are encouraged to use up scraps of yarn and fabric they already have for the clothes, re-using materials from a favourite item that's long since outgrown to make a 'keepsake' toy that has special significance.
