Illustrations	100 Colour illustrations
Publisher	Search Press
Classification	Knitting Techniques
BIC CODE/S	WFBS
SALES REGIONS	Worldwide excluding North America

Description

For those who have struggled in the past to knit with needles, loom knitting is an easy craft to master which children and adults alike can learn in a few hours. Loom knitting is a revolutionary way of knitting that uses a circular or rectangular loom, or knitting board, consisting of a frame with pegs. Looms are easy and fun to use, even without conventional knitting experience. An individual can create almost anything, from knitted tubes for hats or socks to flat panels for scarves, shawls and sweaters. This new and updated book is designed as an essential reference and a hands-on project resource for the loom knitter.

Key Selling Points

- Everything you need to master loom knitting quickly and easily, from technical know-how to appealing designs
- More than 35 nifty, no-needle, quick-and-easy patterns for garments and accessories, including projects to felt
- Stitch patterns including dual instructions for working in the round and flat panels

About The Author

Isela Phelps is a graduate of Utah State University where she received a degree in business administration. She is part of the Décor Accents, Inc. team, a manufacturer of knitting looms. Isela also teaches knitting loom classes at Yarn Today, a Utah yarn store, and owns and moderates two knitting loom online community groups. Isela has been loom knitting for five years, during which time she has created instructions, patterns and visual aids to teach others her art. She lives in Cache Valley, Utah with her husband and two children.
