Description

Learn how to get the most out of your machine with this comprehensive and easy-to-follow guide. Full of practical advice to help you master all the features and applications of your overlocker (serger) and coverlocker, you will learn how to handle your machine using its more complex features and will soon be finishing hems like a professional sewer. There are 50 beautifully photographed step-by-step lessons to guide you through all the skills you need to get started, and 15 lovely projects to make, to apply your knowledge and help you realise your sewing goals. This book includes full-size, fold-out patterns and is the essential guide for all aspiring sewers. It is a fantastic resource for those new to machine sewing and a great source of inspiration and ideas for more experienced sewers, guiding you steadfastly to sewing success.

Key Selling Points

- 15 fantastic projects to make for beginners and more experienced sewers
- 50 beautifully photographed step-by-step lessons to help you get to grips with your machine
- Includes full-size, fold-out patterns to accompany the designs

About The Author

Clémentine Lubin is in love with sewing. She is the author of numerous titles with Marie Claire Books: L'Agenda Couture Singer (2016), Je couds pour ma fille (2016), Coudre pour l'école (2016), J'apprends à coudre des robes et des jupes (2015), J'apprends à coudre des hauts (2015). She is also one of the authors of the best-seller Apprendre à coudre à la machine (2012), a reference book to learn sewing. Clémentine lives in Paris, France.
