In *Sew Perfect Pets*, 18 whimsical and imaginative animal-themed projects have been designed not only to add character and colour to your home, but also to serve as functional items that will last for years to come. From useful items such as an owl doorstop, a snake draught excluder and a sheep hot water bottle cover through to an elephant tea cosy, fox pillow and doggy oven mitt, there is a cute and handy little creature for every room. For kids (and the child within us), Helen has also included beautiful cat and dog toys and an animal-shaped apron.

Key techniques and basic materials are detailed at the beginning of the book, and all of the projects include easy-to-follow, step-by-step instructions. Templates for all the animals are provided on a fold-out sheet at the back of the book.

For sewers of all abilities, bring a touch of playfulness and practicality to your home today with these fresh faux animals that you'll soon love as much as the real guys!
