Jean Haines is arguably one of the world's most accomplished and inspirational artists, and in this, her fifth book, she explores one of her most beloved subjects - flowers. Taking inspiration from her own beautiful garden in the English countryside where she lives, Jean takes you on an artistic journey that not only teaches you how to create gorgeous paintings, but also shares with you the joy to be gained from the simple act of painting flowers.

In this beautiful book, Jean explains with passion and enthusiasm how to loosen up your painting style and include just enough detail in your paintings to portray the essence of flowers, bringing them to life on the paper and infusing them with vibrancy and energy. She shares unreservedly the materials and techniques she uses, provides a wealth of expert tips and advice, and guides you step-by-step through numerous studies and projects. Throughout the book there are many glorious examples of Jean's paintings of a dazzling variety of flowers, providing an abundance of inspiration for artists of all abilities.

## About The Author

Well known for her enthusiasm and passion for art, Jean Haines covers a wide range of subjects in a loose and interpretive style. In the 1990s she studied Chinese Brushwork in Hong Kong, which she now incorporates in her expressive watercolours. Light, and colour play a vital role in her paintings. In 1997 Jean moved to Dubai where she held workshops and courses and participated in numerous prestigious events at major galleries. Her work soon became collectible and she has since sold many pieces which are now in homes all over the world. Following a short period in both France and Belgium, Jean returned to the UK in 2006, and now regularly exhibits and hosts international watercolour workshops for artists from around the globe. She has won many awards for her outstanding work, most recently the SAA Professional Artist of the Year, Experimental and Abstract Award.
