Key Selling Points

- Second book in Debbie's new *Sewing Room Secrets* series. First book in the series, *Machine Sewing*, has sold over 10,000 copies
- Debbie walks you through the core quilting techniques, revealing her top tips for professional finishes along with fuss-free sewing methods
- Build up your skills project by project, with each design increasing in complexity for a challenging, yet rewarding, experience
- Quilting templates included for quick-starting your quilting journey
- Perfect for beginners or the experienced quilter looking for inspiration for their own designs
- Debbie is a bestselling author and has written 21 books for Search Press, her sales total over 500,000.

Description

Jam-packed with hands-on, practical advice, and with gorgeous projects to practise the skills you learn, Debbie will teach you everything you need to know about quilting.

Whether you are at the start of your sewing journey or are already an experienced quilter, you'll be inspired by Debbie's friendly and easy-to-follow approach to useful quilting techniques. Beginning with a section on quilting essentials she'll guide you around your sewing machine and explains all the tools and materials you might need.

The second section then introduces you to the key quilting techniques you'll need to know: discover patchwork favourites such as disappearing nine patch and English paper piecing, different quilting styles, sashing, binding and more — each explained clearly with stitched samples or illustrated step by steps. Projects then follow a single or selection of core quilting skills, so you can put your new knowledge into practice.

This is the ideal book for those new to quilting, looking for in-depth and helpful guidance, or for the more experienced quilter looking to brush up on their skills.

About the Author

Debbie Shore is a bestselling and award-winning author. She began her career as a children's television presenter and since then has appeared regularly as an actress in various popular dramas and as a presenter on shopping channels. Debbie has developed her own range of fabrics, designed her own patterns, writes for several popular sewing magazine and has written over 20 books for Search Press
