## Key Selling Points

- Amanda Hislop's exciting and explorative techniques revealed and her methods explored
- A practical and inspiring guide to producing textile seascapes culminating in four incredible step-by-step projects
- Full instruction for all the techniques used
- A number of practical design exercises included
- Latest title in the popular *Stitched Textiles* series which has sold over 25,000 copies.

## Description

Amanda Hislop's *Seascapes* is a wonderful reference tool for all textile artists, whatever their skills level. Amanda puts particular emphasis on taking your work from initial inspiration through to the design stage. Her advice and guidance is all clearly explained through practical exercises and inspirational examples that then lead to projects which build upon and consolidate the lessons learned.

Textile artists, embroiders, painters and quilters – whatever their skill level – will be inspired by Amanda's deep love for and fascination with the varied moods of the sea and coastal landscapes.

Exploration – both of technique and design – is at the heart of this book. Amanda reveals the skills and processes she uses to make her incredible textile seascapes. Featuring original projects, practical and enjoyable design exercises, and extensive sections on composition and mark-making, this instructional guide is brimming over with fabulous ideas for a stunning selection of fabric and stitch scenes.

## About the Author

Amanda Hislop has a degree in woven textiles and painting, studying at West Surrey College of Art and Design from 1983–86. She began her career as a teacher in art and textiles but in 2007 she took the opportunity of redundancy to pursue an exciting creative pathway as a textile artist and tutor. In her work she combines drawing, painting and stitch, developing a process which allows freedom to integrate texture, line and colour into surfaces for stitch. Amanda is a member of Prism textile exhibiting group, Oxfordshire Craft Guild and the Embroiderers' Guild.
