Description

Tanis Gray is an incredibly proficient knitter and writer. This has led to her reputation as a professional knitting artist and designer. She has built a large and loyal following in both the US and the UK - on Twitter she has over 1,500 followers and on Instagram almost 3,400. She is a regular contributor to Craftsby, where she posts both patterns and tutorials, making her an ideal author – not just for her ability and experience in educating readers, but for putting her in contact with other professional knitters. In this latest work, Tanis' close correspondence with multiple knitting professionals has led to sink a unique design-led book filled with stunning gradient projects for readers to their needles into.
