## Description

Sew Barbie this cute wardrobe of 24 stylish outfits. Sew clothes for every day: jeans and a tie-waist shirt for a picnic in the country, a fleecy jumper and trousers for skiing, a bikini, towel and sunhat for the beach or dungarees for DIY. Or create outfits for special occasions, such as a floral cocktail dress, A-line wedding dress or a formal lacy dress for the theatre. And why not dip into the dressing-up box with fairy, mermaid and superwoman costumes? The detailed explanations are accompanied by step-by-step diagrams and real-size patterns, which can be adapted for petite, curvy, tall or original Barbie. The techniques used are simple and the outfits can be sewn by hand or on the machine. These are ideal projects for upcycling old clothes or making use of scraps of fabric from your stash.
