The animals are made using ready-made craft felt that is easy to work with and soft to the touch, and are hand-sewn using simple stitches. Clear step-by-step instructions are provided for every project, accompanied by gorgeous photographs and Corinne's delightful illustrations, and there are same-size templates at the back of the book for all the animals, clothes and accessories.

About the Author

Corinne Lapierre developed a passion for crafts and textiles from a very young age, and has always had an avid desire to learn about traditional techniques such as weaving, dyeing, silk painting and embroidery. She studied Fine Art in France before moving to the UK to study Fashion Design in Manchester. After working as a fashion designer for a few years, Corinne studied millinery, through which she discovered felt and its many qualities. In 2009 Corinne started her own craft business as a felt maker and quickly realized there was a demand for craft kits using good-quality, natural materials. Her company, based in an old Baptist school in Leeds, UK, sells an expanding range of craft kits and patterns designed for adults and children. Corinne makes regular appearances on Create & Craft TV and lives in Yorkshire with her three children and two cats. Visit her website at www.corinnelapierre.com
