Key Selling Points

- Author is internationally recognised as one of the top embroiderers in the world
- A highly visual book, packed full of photographs and diagrams explaining in detail the techniques and stitches used
- Includes 7 gorgeous designs and over 90 stitches.

Description

In this beautiful book, Tatiana Popova shows the reader how to create stunning crewelwork embroideries inspired by traditional fairy tales, including The Wizard of Oz, Karolcia, the Wild Swans and Cinderella.

This magical collection takes as its central theme a magnificent embroidery depicting the 'Tree of Happiness'. Each part of the embroidery is then explored in detail through stitch diagrams, explanations of the threads used, and alternative ways of working. There are seven wonderful designs in total, each dedicated to one of Tatiana's favourite fairy tales, and all illustrated with gorgeous photographs and informative diagrams.

Over 90 stitches are described in the book, all worked using stranded cotton and cotton pearl thread rather than traditional crewel wool, which gives the embroideries a fresh, modern appeal. Whether you are new to embroidery or an experienced embroiderer looking for inspiration and expert guidance, Tatiana's beautiful book is one you will turn to again and again.

About the Author

Tatiana Popova is a Ukrainian embroiderer. She learnt to stitch at an early age, inspired by her mother and grandmother's embroidery, and for a time she pursued her passion for stitching by studying a huge variety of embroidery styles and techniques, both at school and in her own time. Tatiana studied Floristry Design at university, but soon after graduating she discovered the world of embroidery. She started her own business, Little Owl Smart Crafts Company, producing kits for silk ribbon and crewel embroidery. Tatiana participates in a number of craft shows all around the world, including the UK, USA and Japan, and annually teaches at the Bead & Button Show in the USA.

You can find out more about Tatiana and her work on her website, www.owl-crafts.com.
