Description

Now crocheters too can enjoy creating iconic Fair Isle designs, brought right up to date in this stunning book.

Author and crochet designer Natasja Vreeswijk has taken the traditional technique of Fair Isle knitting and adapted it for crochet, opening up a whole new world of design possibilities to crocheters everywhere! The techniques that she has developed are easy to learn, and there are 15 modern projects to try – all in a range of coordinating colours and with a vintage vibe. From blankets and pillows to ottomans and plant baskets, each crochet pattern is accompanied by clear colour charts, written instructions and beautiful photographs of the finished pieces.

About the Author

Natasja Vreeswijk is a crochet star. She teaches mochila crochet workshops at Wolcafé in the Netherlands and is delighted to have written her own book on Fair Isle crochet, in which she challenges crocheters to go one step further. In clear steps she teaches you how to make the most beautiful home decorations in attractive vintage styles with her signature geometric patterns.
