## Description

*'These are simple books that make serious art easily accessible even for the raw beginner.'* Praise from Henry Malt, Artbookreview

Fill your home with original, professional art - and learn to paint at the same time. This innovative new series is a poster book, an art pad and a step-by-step painting book all rolled into one!

Each of the five A3 posters are ready to pull out, frame and display. In addition, you can enjoy the calming pursuit of painting each of the pictures yourself using the pre-printed outlines - so no drawing required.

The large, landscape format of the book allows each stage of painting to be clearly and comprehensively explained with an innovative annotation approach. Simply pull out the simple, stage-by-stage tutorial pages and pin them to your easel, then paint directly onto the watercolour outline for fantastic results.

In this title, *Country Scenes*, learn to paint a range of inspiring landscapes: journey to a tranquil New Forest stream, a rolling Tuscan hillside and a snowy mountain river, and enjoy 5 masterclasses in landscape painting.
