Description

Praise for the *Paint Pad Poster Book* series:

"These are simple books that make serious art accessible even for the raw beginner" – **Henry Mart, Artbook Review.**

Fill your home with original, professional art – and learn to paint at the same time. This innovative new series is a poster book, an art pad and a step-by-step painting book all rolled into one!

Each of the five posters is ready to pull out, frame and display. In addition, you can enjoy the calming pursuit of painting each of the pictures yourself using the pre-printed outlines – so no drawing required.

The large, landscape format of the book allows each stage of painting to be clearly and comprehensively explained with innovative annotations. Simply pull out the stage-by-stage tutorial pages and pin them to your easel, then paint directly onto the watercolour outline for fantastic results.
