## Key Selling Points

- With minimal materials eggs can be transformed into beautiful decorative items and gifts
- A modern and accessible hobby, egg art is something all generations can take part in
- This craft feeds into the current trend of crafting with natural, everyday objects, turning the ordinary into the extraordinary.

## Description

Eggs aren't just for breakfast! With a bit of imagination, they can also be transformed into beautiful decorative items and gifts. A modern and accessible hobby, egg art is something all generations can take part in, and connect over. *Egg Art* feeds into the current trend of working and crafting with natural, everyday objects, turning the ordinary into the extraordinary.

Hatch a plan and get cracking on your egg-cellent designs now!

## About the Author

Originally from Ukraine, Katya Trischuk trained as an interior designer before setting up as an artist. She lives and works in Toronto, where she collaborates with art galleries and manages her Etsy egg art shop. She particularly enjoys inventing new patterns and experimenting with the traditional dyeing process. Her egg art has been widely featured in the media, from *Home & Gardens* and *Martha Stewart Living* magazine to Hi-Fi TV.
