## Key Selling Points

- An extensive guide to knitting for beginners and those who are more advanced.
- Contains all the knitting techniques you will need, with step-by-step photos and text.
- A series of simple projects help you learn as you go along through practice.
- Photos and descriptions of inspirational projects illustrate the techniques shown in each chapter.
- Full of advice and useful tips on how to avoid beginners' mistakes.

## Description

*Knitting Learn It. Love It.* is designed to serve as a long-term reference guide to all the essential knitting techniques. Each chapter teaches basic skills in detail, with step-by-step guides and carefully annotated photographs and diagrams to ensure the reader knows exactly what to do and how to do it.

There are simple 'quick start' projects to build confidence and help the reader progress; galleries of inspirational projects made using the techniques learned in that chapter; guest designers and bloggers share some of their favourite patterns. There are also really useful listicles sprinkled throughout the pages for readers who want to quickly understand the essentials, plus knitting clinics for insider tips and advice on spotting and avoiding common mistakes.

This comprehensive knitting reference guide is a valuable resource for beginners and more experienced knitters alike.
