Description

Embroidery artist Hisako Nishisu invites you to try her new collection of elegant cross stitch designs, inspired by the beauty and simplicity of wildflowers and grasses. There are over 30 stunning motifs to choose from, so whether you admire the lily of the valley or the violet, or prefer to stitch the Japanese silverleaf, there is sure to be a project that will catch your eye.

After a gallery of beautifully photographed embroideries, a cross stitch overview is provided outlining the tools, materials and techniques needed for completing these charming samplers. This is followed by a clear, full-page chart for each design.

Once your floral sampler is finished, frame it and hang it for a beautiful addition to any room, or use the designs to add pretty motifs to your linens, clothing and accessories.
