## Description

Discover how to bring polar animals to life in 6 easy steps. Award-winning artist Jonathan Newey teaches you to transform simple shapes into majestic polar bears, snowy reindeer and awe-inspiring whales. Choose from an albatross mid-flight, a tottering penguin chick and much more.

There are 25 different animals to create, in a variety of poses and styles. Each project starts with a few basic outlines and progresses into a finished tonal drawing, and a final coloured version shows you how to develop your drawing even further. Perfect for beginners, as well as budding artists, you'll be amazed how easily you too can draw polar animals with this inspiring guide.
