A lovingly created journal tells a story. It provides a fascinating glimpse into your world and is a beautiful object in its own right to be cherished by generations to come. There are eight beautiful designs to choose from, incorporating a range of exciting techniques that include layering and collage, hand embroidery, transferring your own designs to cloth, stamping, appliqué, embellishing, patchwork and free motion machine embroidery.

About the Author

Tilly Rose is a creative mixed media textile artist, designer, tutor and avid journaller.
