## Description

**Bring the magic of the rainforest to your doorstep by drawing this collection of colourful animals and birds.**

Prolific author and artist Susie Hodge teaches you to transform simple shapes into mysterious jaguars, shy butterflies or endangered orangutans in easy-to-follow stages. Choose from a sleepy sloth, a noisy toucan and much more.

There are 28 different animals to create, in a variety of poses and styles. Each project starts with a few basic outlines and progresses into a finished tonal drawing, and a final coloured version shows you how to develop your drawing even further. Perfect for beginners, as well as budding artists, you'll be amazed how easily you too can draw rainforest animals with this inspiring guide.

## About the Author
