Description

Unicorns have captured the imagination of people all over the world. These fantastical creatures have never been so popular, and well-known fantasy artist Sharon Hurst shows you how to bring them to life in this, her first book. Containing 28 different unicorns to draw in a range of poses and styles, each one is achieved in just 7 simple steps, making this book suitable for all ages and abilities. Each one starts with a few basic shapes and is developed into a finished tonal drawing, and a final coloured version shows you how to take your drawing even further. Choose from majestic winged creatures or playful young unicorns and discover how easily you too can create these amazing fantasy animals.

About the Author

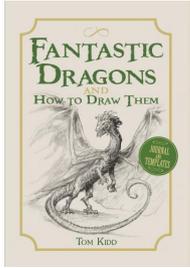

Sharon Hurst dreamed of dragons as a child, and now, as an adult, she paints them! Inspired by vinyl record album art and the imagery in Tolkien's *Lord of the Rings*, she developed and nurtured a desire to create fantasy art that has never left her. Her enthusiasm for fantasy art in watercolour knows no bounds, and her talent for creating fantastic worlds and bringing mystical creatures to life is awe-inspiring. Sharon's work has been exhibited in The Bankside Gallery, London and The Crypt Gallery, St. Ives, and she is a winner of the World of Froud Award. She is an active member of the SAA and has produced two Teaching Art DVDs.
