Debbie has chosen her favourite spring designs from her much-loved Half Yard™ series, including five brand-new projects for you to sink your needles into.

Whether you're spring cleaning and tidying, working in the garden or entertaining, this book contains everything you need to do it in style! Choose from useful bags, boxes and storage solutions to give your inside space a new lease of life; create gorgeous bags for days out and table decorations for days in entertaining; and finally, make your outside space just as inviting as inside, with a peg bag for your laundry and a gardener's kneeling pad for all those spring jobs in the garden.

Each item requires no more than half a yard of outer fabric, plus all the necessary hardware, trimmings and lining. As always, every project features Debbie's friendly, easy-to-follow instructions and a beautiful photograph of the finished make.
