The focus of this comprehensive and inspiring book is its 14 quilt-as-you-go techniques.

Choose from a variety of hand- and machine-sewn styles including stitch-and-flip, envelope-style, lined circles, Suffolk puffs and cathedral windows. Each technique is photographed step by step, and then each completed, discrete block can be transformed into a stunning quilt project, which comes complete with full instructions.

If you like taking your creative work with you when you travel, love the convenience of working in small, manageable blocks, or simply want to try out some different techniques before committing to a full-size quilt, this book will help you achieve remarkable results. All the templates required are included at full size.
